Peterborough City Council – Additional taxi assessments information.

Peterborough Council candidates must take their taxi assessment in Peterborough.

In addition to the standard assessment requirements outlined on the Green Penny website, which can be found on the following link:

http://www.greenpenny.co.uk/taxi-assessment-booking-form

Peterborough taxi candidates will also be asked to drive to various destinations as part of the assessment. Please go to page 2 for a list of locations.

Hackney carriage Assessment (typically an Enhanced assessment) will include:

- Five routes to specific destinations taken at random (if before attempting a street the candidate informs the assessor that they do not know its location an alternative street might be given on one occasion only)

Private hire Assessment (typically a Standard assessment) will include:

- Three districts and two places of local interest in Peterborough taken at random and the candidate must be able to take the shortest route between each.

Please note:
A candidate may refuse or fail a destination, or fail to take the shortest route, on one occasion only. Two failures or refusals or failing to take the shortest routes, will be marked as a fail.

Candidates are <u>not</u> permitted to use navigational aids such as maps or a SAT NAV device.
