

Rutland Council – Additional taxi assessments information

In addition to the standard assessment requirements outlined on the Green Penny website, which can be found on the following link:

Rutland candidates will also be asked to drive to various destinations as part of the assessment. Please go to page 2 for a list of locations.

Hackney carriage Assessment (typically an Enhanced assessment) will include:

- Five routes to specific destinations taken at random (if before attempting a street the candidate informs the assessor that they do not know its location an alternative street might be given on one occasion only).

Private hire Assessment (typically a Standard assessment) will include:

- Three districts and two places of local interest in Peterborough taken at random and the candidate must be able to take the shortest route between each.

Please note:

A candidate may refuse or fail a destination, or fail to take the shortest route, on one occasion only. Two failures or refusals or failing to take the shortest routes, will be marked as a fail.
